Assessing Professional Practice

We place great faith in the Mentors professional judgement and request an honest assessment of the Pre-Service Teacher’s (PSTs) progress and final assessment. Considering the level expected for the particular professional experience, Mentor teachers and the nominated supervisors are asked to make a professional judgement and assess the overall performance of the Pre-Service Teacher.

EDU70015 Practicum 1 is the first practicum in the Master of Teaching (Secondary). In order to satisfactorily complete this practicum, the Pre-Service Teacher is required to meet the Graduate Australian Professional Standards for Teachers (APST) outlined in this report. To assist you in assessing the Pre-Service Teacher, practical interpretations of each standard are situated in the shaded area on each page. To assist you in assessing the Pre-service Teacher, examples from Project Evidence (2012) have been used or adapted and included in the shaded area on each page.

The reporting responsibility of the Mentor:

1. **Interim Report Form:** To complete and email Interim Progress Report form in collaboration with the PST by mid-way through the professional experience (**Day 10**) to the PSTs online tutor-
2. **Cause for Form:** If the Pre-service Teacher receives a cause for concern result on the Interim Progress Report form, the Mentor is to complete the Professional Experience Support Plan and email both forms to the PSTs online tutor. Once received you will be contacted by the PSTs online tutor. –
3. **Final Report Form:** To complete and email the Final Report form in collaboration with the PST, on or the day after the final placement (Day 20) to the PSTs online tutor-

The reporting responsibility of the Pre-Service Teacher is:

1. To make sure all required reports and assessments are completed in a timely manner and submitted by the required dates.
2. To participate in the interim & end of assessment reporting process.

Completing the Interim Report Form

This must be completed in collaboration with the PST

The purpose of the Interim Report Form is to assess the PSTs progress against each Domain of Teaching.

The Australian Professional Standards for Teachers are grouped into three broad Domains – Professional Knowledge (Standards 1and 2), Professional Practice (Standards 3, 4 and 5) and Professional Engagement (Standards 6 and 7).

At the Interim Report stage, Pre-Service Teachers will be assessed as follows:

- SP - Satisfactory Progress: The student is making satisfactory progress towards this Domain at the level indicated.
- WT - Working Towards: The student is working towards satisfactory progress towards this Domain at the level indicated, or has not yet had a suitable opportunity to demonstrate competence in this Domain. In either case, this Domain may require attention in the second half of the placement (but no additional documentation is required).
- CC - Cause for Concern: The student is not making satisfactory progress towards this Domain at the level indicated. This Domain will require focused attention in the second half of the placement and a Support Plan must be submitted along with the Interim Report. An example of the information required in the Support Plan is included at the conclusion of this document.

Based on the level achieved in the first phase of this placement, the Pre-Service Teacher is assessed at the following level of achievement (Please tick the appropriate box)			
Professional Knowledge: Demonstrates current professional knowledge and skills to begin planning for and managing learning programs.	SP <input type="checkbox"/>	WT <input type="checkbox"/>	*CC <input type="checkbox"/>
Professional Practice: Demonstrates a growing capacity to begin to plan, implement and assess for effective teaching and learning as well as maintaining a safe and supportive learning environment.	SP <input type="checkbox"/>	WT <input type="checkbox"/>	*CC <input type="checkbox"/>
Professional Engagement: Demonstrates the capacity to begin developing effective relationships with the school community to enhance learning opportunities.	SP <input type="checkbox"/>	WT <input type="checkbox"/>	*CC <input type="checkbox"/>
*IMPORTANT: If one or more CC results are indicated against the Domains of Teaching above, submission of this Interim Report must be accompanied by a completed Professional Experience Support Plan.			
When completing the above assessment of interim progress, please make a judgement based on the Pre-Service Teacher’s achievement to date against the practical interpretations of each standard, situated in the shaded area underneath each.			

Completing the Final Report Form:

(This must be completed in collaboration with the PST and submitted via the EDU70015 Online Interim Report form using the link provided in the placement confirmation email – This form cannot be submitted prior to day 19-20).

Level Achieved against each of the Australian Professional Standards for Teachers (Graduate)

For each of the standards, Pre-Service Teachers will be assessed as:

- **0 - Not demonstrated:** The student has not demonstrated the professional standard at a relevant level. **If a PST awarded a 0 for any of the standards they must receive an UNSATISFACTORY overall result.**
- **1 - Demonstrated occasionally:** The student has been able to demonstrate the professional standard at a relevant level, albeit occasionally. It is accepted that Pre-Service Teachers enrolled in EDU10001, **EDU20006** and EDU60008 may mostly reflect this level in their Interim and final assessments.
- **2 - Demonstrated regularly:** The student has demonstrated the professional standard regularly during their professional experience. It is accepted that Pre-service Teachers enrolled in EDU30003, EDU30015 and EDU70003 may mostly reflect this level in their Interim and final assessments.
- **3 - Demonstrated consistently** - The student has consistently demonstrated the Professional standard throughout their professional experience. It is accepted that Pre-service Teachers enrolled in EDU40005, EDU40006, EDU400012 and EDU80005 may mostly reflect this level in their Interim and final assessments.

The statements below in grey preceded by the ▪ are examples of evidence that may be used to demonstrate competence in this standard. PSTs are not expected to demonstrate all examples.

Standard 1- Know the students and how they learn [Professional Knowledge Domain]: Focus Areas
1.1 Physical, social and intellectual development and characteristics of students Demonstrate knowledge and understanding of physical, social and intellectual development and characteristics of students and how these may affect learning <ul style="list-style-type: none">▪ Demonstrates understanding through written observations▪ Identifies that all students learn in different ways. This is shown through the planning of a range and variety of activities▪ Recognises students' individual needs.▪ Anticipates where adjustments are necessary for individual students' needs and plans and implements these adjustments e.g. extension activities, extra support▪ Makes effective links between their previous and current lessons and students' understandings
1.2 Understand how students learn Demonstrate knowledge and understanding of research into how students learn and the implications for teaching <ul style="list-style-type: none">▪ Identifies that all students learn in different ways. This is shown through their planning and reflection▪ Identifies individual students' needs in a targeted learning area. Evidence would be in written targeted observations▪ Sets clear expectations for what the students will learn during the lesson▪ Demonstrates a good understanding of different learning styles in planning▪ Scaffolding and signposting is evident in teaching and learning.▪ Responds to learner needs and attempts to involve all students. Adjusts teaching.▪ Identifies the teaching strategies used to cater for ESL students and students with special needs in written observations and transfers these into lessons
Standard 2- Know the content and how to teach it [Professional Knowledge Domain]: Focus Areas
2.1 Content and teaching strategies of the teaching area Demonstrate knowledge and understanding of the concepts, substance and structure of the content and teaching strategies of the teaching area. <ul style="list-style-type: none">▪ Uses and unpacks content specific language, metalanguage▪ Demonstrates accuracy with content/concepts▪ Responds to content specific questions from students▪ Uses a range of observable pedagogies to promote understanding of concepts/content e.g. recognition of prior learning, structuring of key points, uses examples/real world applications to apply to content/concepts, demonstrates knowledge of the concept of procedure▪ Has a good knowledge of teaching strategies and uses a variety of them to engage students and deliver the content effectively▪ Reflects on the link between teaching strategies and student understanding of concepts and makes adjustments throughout the teaching process
2.2 Content selection and organisation Organise content into an effective learning and teaching sequence. <ul style="list-style-type: none">▪ Develops well-structured lesson plans within the wider curriculum context▪ Uses strategies to structure and sequence the learning e.g. starting with intention, linking to prior learning, using steps, using examples, questioning and giving feedback▪ Relates the learning to students' lives▪ Uses strategies to engage students in the content and reflects upon the effectiveness of these
2.3 Curriculum, assessment and reporting Use curriculum, assessment and reporting knowledge to design learning sequences and lesson plans <ul style="list-style-type: none">▪ Provides input into the design of assessment tasks and criteria/rubrics for assessment▪ Contributes to marking and moderating assessment tasks▪ Provides feedback to students▪ Willingly attends parent teacher meetings (where applicable)

- Willingly reflects on teaching practice and responds to feedback to influence future teaching
- Collects evidence from students of their understanding of concepts in informal and/or formal ways and feedback is provided
- Demonstrates effective record keeping
- Designs formative assessment items in lesson planning
- Changes their approach to instruction, level of content, or pedagogy in response to collected data over the course of a practicum to meet the needs of students
- Reflects on the appropriateness/level of challenge of materials and approaches
- Designs tasks in order to lead to assessment (linking to assessment tasks)

2.5 Literacy and numeracy Strategies

Know and understand literacy and numeracy teaching strategies and their application in teaching areas.

- Demonstrates awareness of the curriculum documents and policies within the school
- Teaches/models grammatical and English language conventions
- Teaches/models appropriate numerical conventions
- Explicitly teaches the language of a content discipline
- Plans and teaches activities that improve the language, literacy and numeracy of students
- Uses teaching moments to extend the language, literacy and numeracy skills of class and individuals

Standard 3- Plan for and implement effective teaching and learning

[Professional Practice Domain]: Focus areas

3.3 Use teaching strategies

Include a range of teaching strategies.

- Plans and implements lesson activities that encourage critical thinking, creativity and problem solving
- Uses a range of strategies including; Whole group, small groups, whiteboard, Smartboard, ICT, peer teaching, multiple intelligences
- Demonstrates ability in:
 - Explanation of concepts
 - Industry Based Learning
 - Inductive learning
 - Group work/collaborative
 - discussion management
 - Questioning skills
 - ICT + Web 2.0
 - Graphic organisers
 - Kinesthetic approaches
- Relates strategies appropriately to coherent pedagogies
- Demonstrates diversity of approaches across a sequence of lessons
- Demonstrates the ability to change/adapt strategies within a lesson in response to student performance/understanding/engagement
- Uses effective questioning techniques that maximise participation and encourage higher level thinking

3.4 Select and use resources

Demonstrate knowledge of a range of resources, including ICT, that engage students in their learning.

- Locates and collects resources developed by the school for specific learning programs/units
- Uses ready-made resources and creates own resources to enhance learning
- Seeks out and uses appropriate internet resources
- Uses a diverse range of resources specific to content/concepts
- Uses of a range of sources
- Uses appropriate conventions regarding academic honesty/referencing, acknowledging of sources
- Balances bias/recognition of bias in the use of resources
- Provides props, visual aids, cues to support understanding for a student with a wide range of levels of prior knowledge and understanding

3.5 Use effective classroom communication

Demonstrate a range of verbal and non-verbal communication strategies to support student engagement.

- Shows an ability to relate to and work with children
- Moves effectively within a learning space
- Shows effective questioning to check for understanding (open and closed questions)
- Body language should be open, encouraging and 'safe'
- Uses appropriate:
 - volume
 - pitch
 - tone
 - language
 - forms of address
 - grammatical conventions
 - body language
- Responds appropriately to student behaviours/contributions
- Asserts themselves in a classroom environment as relevant
- Provides informal feedback (inclusive, elaborative) to build student engagement
- Uses warm-up activity to engage student participation
- Provides feedback to each student
- Has an active and engaging presence not seated, narrow, restrictive delivery of teaching
- Uses gestures to communicate
- Provides clear instruction
- Seeks out unresponsive students

Standard 4- Create and maintain supportive and safe learning environments

[Professional Practice Domain]: Focus areas

4.2 Manage classroom activities

Demonstrate the capacity to organise classroom activities and provide clear directions

- Routines and procedures are explicitly taught, modelled and reinforced
- Redirects students not following procedures
- Lessons have a clear structure that students are aware of and are able to follow

- Timeframes are mainly accurate and appropriate to the task & concentration spans
- Expectations are clearly stated for each activity
- Provides clear directions
- Resources are well organised
- Students mainly stay on-task

4.4 Maintain student safety

Describe strategies that support students' wellbeing and safety working within school and/or system, curriculum and legislative requirements

- Knows what safety is
- Knows the government protection strategies
- Knows the school's protection policies
- Passes on information
- Knows the resources of the school i.e. G.O., school nurse
- Knows OHS standards/procedures
- Knows the anti-bullying policy- implements and supports the school's policy. Is aware of latest programs
- Knows the school emergency procedures
- Models sun safety practices and enforces them with students
- Identifies potentially unsafe situations and is proactive in solving – risk assessment
- Collaborates and asks for help

4.5 Use ICT safely, responsibly and ethically

Demonstrate an understanding of the relevant issues and the strategies available to support the safe, responsible and ethical use of ICT in learning and teaching.

- Knows the National and State ICT policies and expectations
- Knows the school's strategies and procedures for computer use and using the computer room
- Has a clear method of monitoring – plans for entering and leaving
- Keeps children on task
- Is proactive
- Knows the technology and how it works
- Imparts the rules to the students
- Previews electronic resources to check for suitability
- Adheres to processes for use of images/videos of students

Standard 5 - Assess, provide feedback and report on student learning

[Professional Practice]: Focus Areas

5.1 Assess student learning

Demonstrate understanding of assessment strategies, including informal and formal, diagnostic, formative and summative approaches to assess student learning.

- Demonstrates a working knowledge of informal and formal, diagnostic, formative and summative assessment and why we do it
- Understands how we choose assessment strategies to suit the context/students/community
- Knows timelines of the curriculum and the school timelines and requirements
- Understands the literacy requirements
- Writes an appropriate piece of assessment
- Practises using a marking criteria, recording data, and analysing data to inform remediation

5.2 Provide feedback to students on their learning

Demonstrate an understanding of the purpose of providing timely and appropriate feedback to students about their learning.

- Regularly gives feedback to students on their learning e.g. responses to answers, responses to class work, responses to homework, responses to individuals on progress during tasks and assignment work
- Gives formative and summative feedback
- Uses a range of strategies to give feedback: oral, written, conferencing, test results

5.4 Interpret student data

Demonstrate the capacity to interpret student assessment data to evaluate student learning and modify teaching practice.

- Knows how to access this data
- Knows how to keep this data
- Uses/describes how students data translates to teaching practices
- Interprets table/graphs
- Uses data to remediate
- Collaborates with Mentor and others to implement support
- Uses knowledge of student understanding from a lesson to inform subsequent lessons
- Collaborates with Mentor to evaluate student learning and modify units

Standard 6 – Engage in professional learning

[Professional Engagement]: Focus Areas

6.3 Engage with colleagues and improve practice

Seek and apply constructive feedback from supervisors and teachers to improve teaching practices.

- Discusses with Mentor, areas for improvement
- Applies constructive feedback from Mentors to improve teaching practices
- Seeks feedback for improvement

Standard 7 – Engage professionally with colleagues, parents/carers and the community

[Professional Engagement]: Focus areas

7.1 Meet professional ethics and responsibilities

Understand and apply the key principles described in codes of ethics and conduct for the teaching profession.

- Dresses, speaks and behaves in a professional manner
- Interacts with children, families and staff respectfully
- Familiar with school and jurisdictional documentation on ethics and conduct

7.3 Engage with the parents/carers

Understand strategies for working effectively, sensitively and confidentially with parents/carers.

- Records reflections about how the Mentor communicates and maintains relationships with families

- With the support of the Mentor, employs a variety of strategies to communicate and establish professional relationships with families. E.g. greets and farewells parents by name on arrival and introduces self as a Pre-service Teacher when appropriate
- Investigates and/or trials (with Mentor guidance) various ways that digital resources can be used for communicating effectively, ethically, sensitively and confidentially with teachers, and parents or carers where applicable

Summary and Comments of overall performance.

There is a section provided on the online report to record an accurate summary of the professional experience by the mentor and PST. It can also be a space to reflect on strengths and create goals for future improvement.

At the end of the professional experience, the mentor must assess the PST against their overall performance as below:

Overall Performance

- **Satisfactory** - A teaching performance that is satisfactory in assuming the professional responsibilities of a graduating teacher for this stage of practice (The Pre-Service Teacher has received 1-3 for every standard).
- **Unsatisfactory** - A teaching performance that is not satisfactory in assuming the professional responsibilities of a graduating teacher for this stage of practice. The Pre-Service Teacher has received a 0 for any of the assessed Standards and/or is deemed by the Mentor to be not achieving the required level for the stage of practice.
- **Not completed** - Teaching performance has not yet reached a satisfactory level for this stage due to exceptional circumstances and will be dealt with on a case to case basis. (For examples of 'Result Deferred' refer to the practicum handbook).

Completing the Support Plan

This form only requires completion if the Pre-Service Teacher receives a CAUSE FOR CONCERN (CC) result on the Interim Report. You will be prompted to complete the following sections should you grade a student as CC on the interim report: This form can be located at the end of the final report, titled Part C.

Major areas of concern

Please identify which areas from the Australian Professional Standards for Teachers (Graduate) and/or any other areas of concern regarding teacher professional conduct that need to be improved on by the Pre-service Teacher

Actions required by the Pre-Service Teacher and Support strategies to be implemented by the Mentor & Academic

Professional Experience Report

Professional Experience 1 – EDU70015

Assessing Professional Practice

We place great faith in the Mentor and the Nominated Supervisor's professional judgement and request an honest assessment of the Pre-service Teacher's progress and final assessment. Considering the level expected for the particular professional experience, Mentor teachers and the nominated supervisors are asked to make a professional judgement and assess the overall performance of the Pre-service Teacher.

EDU70015 Practicum 1 is the first practicum in the Master of Teaching (Secondary). In order to satisfactorily complete this practicum, the Pre-Service Teacher is required to meet the Australian Professional Standards for Teachers (Graduate) outlined in this report. To assist you in assessing the Pre-Service Teacher, practical interpretations of each standard are situated in the shaded area on each page.

The reporting responsibility of the Mentor:

We acknowledge the challenge and responsibility that comes with assessing PSTs. While we may not physically visit the school, support is available to mentors through your PSTs online tutor and the Placements Support Team. We place great faith in the professional judgement of mentors and request an honest appraisal of the PSTs progress and final assessment. If a mentor feels that an unsatisfactory result is warranted, their decision will be supported by the University.

- **Day 10:** Discuss the Pre-Service Teacher's progress mid-way through the practicum. In collaboration with the PST the mentor must complete and submit the Interim Report form. If a Pre-Service Teacher is making **unsatisfactory** progress, the Mentor must also complete the Professional Experience Support Plan. If a student is marked as unsatisfactory progress, you will be contacted by your student's online tutor
- **Day 20 (Final Day):** In collaboration with the PST, the mentor must complete and submit the Final Report form. The Mentor is required to provide an honest assessment of the PST's performance, and sign off on the number of completed days.
- *Note: Whilst the Interim and Final Reports need to be completed collaboratively by both the PST and the mentor, the reports MUST be emailed by the mentor to your PSTs online tutor. Reports submitted by the PST will not be accepted.*

The reporting responsibility of the Pre-service Teacher is:

- To make sure all documents are completed in a timely manner and submitted by the required dates. Please note the Interim Progress Report form is part of the practicum hurdle requirement.
- To participate in the interim & end of assessment reporting process.

This professional experience report contains the following sections:

Part A: Interim report – To be completed by day 10

Part B: Final report – To be completed at the end of the professional experience

Part C: Support plan – ONLY to be completed if a Cause for Concern is received on the interim report

Should you have any queries and/or concerns at any time throughout the practicum, please contact the Preservice Teacher's eLearning Advisor directly. The Pre-service Teacher can provide contact details if required. Our Placement support Team can also be contacted Email: help@swinburneonline.com or Phone: 1300 YES SOL (1300 937 765)

PART A: INTERIM REPORT – EDU70015

Interim Report – Assessing Pre-service Teacher’s progress against each Domain of Teaching

The Australian Professional Standards for Teachers are grouped into three broad Domains – Professional Knowledge (Standards 1 and 2), Professional Practice (Standards 3, 4 and 5) and Professional Engagement (Standards 6 and 7). At the Interim Report stage, Pre-Service Teachers will be assessed as follows:

- **SP Satisfactory Progress** the student is making satisfactory progress towards this Domain at the level indicated.
- **WT Working Towards** the student is working towards satisfactory progress towards this Domain at the level indicated or has not yet had a suitable opportunity to demonstrate competence in this Domain. In either case, this Domain may require attention in the second half of the placement (but no additional documentation is required).
- **CC Cause for Concern** the student is not making satisfactory progress towards this Domain at the level indicated. This Domain will require focused attention in the second half of the placement and a Support Plan must be submitted along with the Interim Report.

PART B: FINAL REPORT – EDU70015

Final Report - Level Achieved against each of the Australian Professional Standards for Teachers (Graduate)

For each of the standards, Pre-service Teachers will be assessed as:

- **0 - Not demonstrated** the student has not demonstrated the professional standard at a relevant level. **If a Pre-service Teacher is awarded a 0 for any of the standards they must receive an UNSATISFACTORY overall result.**
- **1 - Demonstrated occasionally** the student has been able to demonstrate the professional standard at a relevant level, albeit occasionally. It is accepted that Pre-service Teachers enrolled in EDU10001, EDU20006 and EDU60008 may mostly reflect this level in their Interim and final assessments.
- **2 - Demonstrated regularly** the student has demonstrated the professional standard regularly during their professional experience. It is accepted that Pre-service Teachers enrolled in EDU30003, EDU30015 and EDU70003 may mostly reflect this level in their Interim and final assessments.
- **3 - Demonstrated consistently** the student has consistently demonstrated the Professional standard throughout their professional experience. It is accepted that Pre-service Teachers enrolled in EDU40005, EDU40006, EDU400012 and EDU80005 may mostly reflect this level in their Interim and final assessments.
